

## THE WANDERERS RUGBY FOOTBALL CLUB

### Dear Loyal Rugby Supporter,

Due to the significant lack of sales of the suite tickets for the season, we have decided to reduce the price of the tickets for the remaining games. The ticket gives you full access to the blind suite at Ellis Park. The suite opens an hour before the game, during half time and an hour afterwards. It includes booze and a snack. The tickets are located on the West Upper tier, and provide an awesome view of the game, and easy access to toilets.

The lions have a good chance at a home semi-final and possible further progression, this is also **included** in the package. The French are coming to play us in June, and packages can be bought for just this game, and/or just the Bulls game. Please find different packages below:

- 1) Season Ticket for remainder of games:  
Cost: **R2200**/ticket.
- 2) Ticket for **just** the test v France on 24 June:  
Cost: **R1300**/ticket.
- 3) Lions v Bulls on 20 May:  
Cost: **R600**/ticket
- 4) Ad hoc tickets for quarter finals, semi-finals and final **Please Enquire.**

All proceeds from the packages go towards the running costs of the Wanderers Rugby Club's junior development section.

Should you be interested in purchasing a ticket please do not hesitate to contact members of the Wanderers Rugby Club committee Allan Schulz (allan.schulz@gmail.com) or Stuart Prior ([stuartwalterprior@gmail.com](mailto:stuartwalterprior@gmail.com)), or phone the Wanderers Main Club and ask for Doreen, the club secretary.

Kind Regards,

Wanderers Rugby Club Committee
