WANDERERS CRICKET CLUB - WOMEN'S CRICKET

The Wanderers Cricket Club, a club with a unique history and heritage, will be playing an active role in showcasing women's cricket at club level - to attract a new generation of women and girls to the sport and promote youth participation in cricket in the province.

The Wanderers Cricket Club is establishing a women's cricket team and is looking for players, aged 15 and above, experienced cricketers and novices.

The Wanderers Cricket Club will be looking to enter a team in Gauteng Cricket Board's Women's league.

Trials will take place during September 2017 and weekly practices will be subsequently held at the Wanderers Club (the frequency and day to be confirmed).

The Wanderers Cricket Club would like to invite all women cricketers to come join us.
