

APRIL 2020 BOWLS NEWS

To all of our beloved members and their families,
We wish you strength, safety and good health, during this lockdown period.

It will be glorious to see you all back on the green, a day that cannot come soon enough for all of us.

Please remember that if you need some reassurance, or someone to talk to, Janis is a qualified counsellor and only a phone call away.

Take care, God bless you, see you soon!
Rose
