LETTER OF GRATITUDE – WANDERERS DRIVE-THROUGH

Dear Maria and Neil

Today is our last day operating the drive-through testing station at The Wanderers Rugby Fields. We have been testing there for 5 months and tested 1000's of satisfied and appreciative customers.

I would like to thank you on behalf of our entire business, our staff, our clients and the City of Johannesburg for the role that you played in the City's response to the COVID-19 pandemic. Through the uncertainty, you trusted us and helped us create a service that truly made a positive impact.

We are truly grateful to everyone involved from The Wanderers and kindly request that you pass this message of thanks on to them.

We look forwards to meeting up soon in person to extend this thanks to you.

Stay safe and healthy and be well

Warm regards

Dr Jedd Myers (MbBch, MBA)

Director
